PSC Sailing Burgee

Price: \$35.00

Ahoy Sailors!

A burgee is a flag used on yachts to identify the club that the yacht's owner belongs to.

The PSC burgee is in high visibility orange with a black design that has a boat mast in the shape of a ski and a spinnaker sail that forms a "P"

The PSC burgee is made of heavy nylon and comes with grommets so that you can tie it to the flag halyard of your yacht (also works well over a fireplace!).
